## ABSENCE

Please notify the Headmaster in advance by phone or e-mail of any planned absence (e.g. visiting future schools or going to the doctor). Parents of Day Pupils, who are going to be absent or late, please email the nurse ([nurse@cargilfield.com](mailto:nurse@cargilfield.com)) or telephone to let us know before 8.20am.

## ACTIVITIES

Activities take place during break, during afternoon games and in the evening. There are over 50 different activities at Cargilfield and the evening activities finish at 7.30pm. Some of the activities are chargeable and parents receive information before the end of the previous term. Evening activities can initially make for a very long day for children in Form 4 and it is not advised to do too many on arrival in the Upper School.

## ADDRESSES

Please let us know if your address or telephone number is changed. If you are going to be away from home please inform us of any changes to arrangements for supervising your child.

## ALLERGIES

It is vital for us to know if your child suffers from any form of allergy; this applies equally to day pupils and boarders. All parents must give us full medical information before your child starts at Cargilfield and update us with any changes. Please contact the School Nurse if you have any medical worries.

## APP

Please find the iSAMS iParent app in the App store (orange). This contains individual information about your child such as their lessons, Good Marks and Commendations as well as an electronic copy of the calendar and other useful pieces of information. It is also the best place to view your child's exam marks and end of term reports. If you haven't received your unique pupil code, please contact [rmurdoch@cargilfield.com](mailto:rmurdoch@cargilfield.com). The school code is CRGS.

## BAPS

A snack at 11.05am and 4.00pm: drinks, biscuits, fruit, cake.

The charge for flexi-boarding is shown on the termly fee list.

## BOARDING WEEKENDS

Boarding weekends are open to all children in F4 and above. Certain weekends are allocated for specific year groups which we encourage all children to attend. There are some weekends available to all children from P3-F8. A boarding weekend plan will be emailed to parents before the start of term. All boarding requests should go through [boarding@cargilfield.com](mailto:boarding@cargilfield.com)

## BOOKS

Any books brought to School from home should be suitable for a child at prep school: your child's Form teacher will always be happy to give guidance on this. The school has its own well-stocked library. Recommended reading lists are available on the website.

## BULLYING

A copy of the school's policy towards bullying and child protection is available on the website; children are also given guidance on this. The system is very simple: bullying will not be tolerated and any cases will be dealt with.

Parents of Day Pupils should check the time of return for away matches on the team sheets.

## CAMPS

Form 8 have a week long camp towards the end of the Summer Term as part of the post Common Entrance programme. Forms 4, 5, 6 and 7 also have camps throughout the year which we hope they will attend. ## CAR PARKING

Please use the car park provided at the entrance to the School. Parents are regularly reminded of safety in and around cars. Members of staff will be in the car park each morning to monitor the safe crossing of children being dropped off. Please either park in a bay or use the drop off zone by the playing fields. If your Upper School child has a sibling in the Pre Prep, you are permitted to drive around to the Headmaster's House to drop off your child.

Please use the zebra crossing at all times.

## CARS

**PLEASE ALWAYS DRIVE WITH GREAT CAUTION INSIDE SCHOOL GROUNDS. THE SPEED LIMIT IS 5 M.P.H.**

## CHAPEL

The School Chapel was built as a War Memorial to those who died in the First War. Their names and the names of those who died in the Second War and subsequent wars are recorded at the East End of the Chapel. Chapel Services are held on Tuesdays at 8.40am; visiting preachers are invited and these are often visitors from Senior Schools. Pre-Covid, parents were invited to attend these and are given the chance to meet the preacher in the school library before the service.

## COMMON ENTRANCE

This is the standard examination, which determines entry into senior independent schools (often called public schools). These examinations are usually sat in early June. There are papers in English, Maths, French, Science, Geography, History, Latin and Religious Studies. The scripts are sent to the school for which the child is entered, and that school marks the papers and sets its own pass mark. The parents are notified of the result within a week of the final paper. Please speak to the Headmaster if you have any questions.

## COMMENDATIONS

Good work is commended and logged on the iParent app. Children from Form 4 upwards. Prizes are also awarded at the end of each term for children who receive the most Commendations.

The Headmaster and the Boarding staff are in charge of the welfare of boarders at all times (see Boarding Handbook).

### DROPPING OFF AT THE BEGINNING OF THE DAY

When children first join the Upper School, it is common for parents to walk them to the entrance or to their classrooms. This hopefully will not last long because the children will feel very confident in a short time. The car park can be very busy and we are grateful to parents who park off-site and walk their children into School, especially when they plan a longer visit. If you have concerns at the beginning of the day, please email or talk to your child's Form Teacher.

### EARRINGS

These and other jewellery are not permitted in School.

### E-MAIL

You may contact your children by e-mail; each child has his or her own private e-mail address. Please inform the school office of your own e-mail address.

The Form Teacher is your obvious point of contact in dealing with any problems and day-to-day queries. The Form Teacher plays an important part in the life of each child. He or she takes Registration at the start of each day and will pick up any of the problems which may occur in a busy school. Any worry may also be taken directly to the Headmaster or his wife.

### FOUNTAIN PENS

## FRIENDS OF CARGILFIELD

The Friends of Cargilfield (FOC) is a group of parents who meet regularly to plan fundraising and social events for the School. FOC members are also class reps for their year groups. As a result of recent changes to data protection legislation, the School is no longer able to make parent contact lists available to the FOC class reps. If you would like to be contacted by your class rep then please email them directly. The list will be sent to you when finalised.

## FUTURE SCHOOLS

Parents should speak to the Headmaster about education after Cargilfield. He has experience of many schools, both in Scotland and England. Do please think ahead to avoid missing Registration deadlines.

## GIRFEC (Getting It Right For Every Child)

Getting it Right for Every Child (GIRFEC) is the Scottish Government's approach to improving services for children and key parts became a law in August 2016. The wellbeing of all children and young people is at the heart of GIRFEC. The expectation is that the universal services of education and health will work together in a consistent way with children and their families to provide quick and effective support when it is needed.

Wellbeing is described by 8 indicators (sometimes called SHANARRI):

- Safe
- Healthy
- Achieving
- Nurtured
- Active

## INTERNET

The internet is a valuable facility, available for all pupils to use. Our Service Provider undertakes to filter sites by words and images, but since the Internet is so fast and constantly changing, a certain amount of responsibility lies with the users. The children have all read, agreed with, and signed an agreement outlining the use of the Computer Room and, in particular, the Internet. ## MATCHES

Children enjoy playing in matches and being part of a team and parents are encouraged to attend and support not only their own children but also others in the team. Dates are sometimes changed because of bad weather and other reasons, so it is wise to check the iParent App and the Games Line before driving a long distance. Parents of Day Pupils should check the time of return for away matches on the Team sheets which are published in advance and can be found on the iParent App under Documents and Files and can also be found on the Games Board. Often these are shared by parents in WhatsApp groups. Tours are often arranged and children enjoy competing regularly with schools from all over the United Kingdom. ## POSTS OF RESPONSIBILITY

### **Head Boy and/or Head Girl**

The Head Boy and Head Girl of School are chosen by the Headmaster and have a particular responsibility to report any problems arising within the Cargilfield community: this may be to do with teasing or an unfair situation; it may be to do with suggesting improvements to the day at Cargilfield but in particular it will be to do with setting an example to all those around them.

### **Divisional Captains**

Each Division will appoint a boy and girl Captain; these are important positions of responsibility and may lead to a boy or girl being appointed a full Prefect.

### **Prefects**

Prefects are chosen because they have demonstrated special qualities, such as concern for others, offering to help with duties around School and taking a positive part in and out of the classroom.

## PRIDE

Everybody attached to Cargilfield, children, members of staff, parents and friends should take tremendous pride in the school. It is a community based on friendship, care and help and we cherish the family values instilled by us all at the school.

## REPORTS

Reports and Grades are sent out via the iParent app at least twice a term. Any concerns regarding the report should go to the Headmaster as soon as possible.

## RULES

These are known as the Cargilfield Commandments and are listed in Form Rooms. The Headmaster's Principal advice is ..... Be kind, be kind, be kind.

A Boarding Council also meets regularly to offer ideas on improving life for Cargilfield Boarders.

## SWIMMING

There is no swimming pool at Cargilfield but swimming can be done as an evening activity at a local pool. An email is sent out during the previous term with an opportunity to sign up. If you have any questions please contact the school office.

## TELEPHONE CALLS (Boarding)

Telephoning is very much part of family life these days and we are very pleased that children and parents can have easy access to each other on the telephone. It is worth pointing out, however, that children can, at times, become over-dependent on the telephone. There are times, too, when a momentary disappointment means a telephone call, and a parent worried long after the child has forgotten he or she telephoned in the first place. A good time to phone is after 8pm since children do not want to miss out on activities. We do not feel that day children should be encouraged to telephone during the day unless there is a good reason, for instance, concerning a later pick-up time.

Parents are always welcome to phone us:

School telephone: 0131 336 2207

Boarding: 0131 336 0182

## TENNIS

Coaching is available all year round; professional staff supervise the children's progress and a charge is added to the termly bill. Boarders' Tennis is a traditional activity just for boarders every evening in the Summer Term at 7.30pm.

## TERM DATES

The dates of these are published well in advance. Please do not book your own holidays within term time. It is not our policy to provide work for those children who do miss school in these circumstances.

## TIES

If they know how to tie their tie and shoelaces and to tell the time before they come to Cargilfield it is very helpful for them.

## TREE HOUSE

Unless you tell us to the contrary, your child is allowed to use the large tree house situated in the school grounds.

## TUCK SHOP

No tuck should be brought back to school however there is a tuck shop for boarders on a Wednesday evening (please note the children do not need money for this). Children staying at a boarding weekend enjoy a shopping trip to the Gyle shopping centre on Friday evenings. This is a big part of their weekend and they enjoy it. The visit is well supervised by the Headmaster and his boarding staff.
