

# CARGILFIELD NURSERY IMPROVEMENT PLAN 2017 - 2018

## Updates on our priority areas are:

### How good is our leadership and approach to improvement?

New budgets are being set to ensure a rolling program for building improvements

Ensure new member of staff carries out induction program

Staff to have training on new Up Up and Away document  
Build and sustain a professional team

### Updates

New budgets have been set for this year and new resources and building improvements are planned. New chairs were purchased last year.

New members of staff have carried out the new induction procedure

Mrs Aitchison is attending Up Up and Away training in February. This will then be passed on to all staff.

All staff have attended various training courses within the last term

### How good is the quality of care and learning we offer?

Ensure all staff have (new member of staff) attended all relevant training

Continue to develop close links with parents/ users- seek ideas and feedback on homework challenges

Continue to develop links with other settings- share our woodland area & invite them to use our facilities

Staff to have training on new Up Up and Away document

To continue to build successful home-school links

### Updates

All staff have attended various training courses within the last term. Including autism training, emotions training, speech and language training and self assessment training

Parents will be asked about home school links and homework bags in the Spring Term

Nature Kindergarten has begun. Mrs Aitchison attended relevant training and Nature Kindergarten is taking place each Friday morning

Local nurseries and cluster nurseries have visited Cargilfield and further links have been developed

Mrs Aitchison is attending Up Up and Away training in February. This will then be passed on to all staff

### How good are we at ensuring the best possible start for all our children?

All staff to have ICT training if required

Develop ICT and use of iPad apps to support children's learning.

Develop woodwork opportunities

### Updates

New ICT systems have been put in place

Nursery iPads can now access the app store

Staff are researching new apps for the children to use

Woodwork club took place once a week for all children and each child made their own wooden Christmas tree project
